**I am a:**

**Channel Partner**

- Hypertherm Authorized Distributor - A channel partner that engages in a welding supply and industrial product supply business that primarily works with end-users to provide a myriad of products.
- Hypertherm Authorized Repair Center - A channel partner that only engages in the technical repair and service of cutting system products.
- Hypertherm Authorized System Integrator - Channel partner that doesn't build or manufacture XY, robotic or other cutting system solution themselves but integrates various system components together to form a total cutting package.
- Hypertherm Authorized OEM - Channel Partner that designs, manufactures, builds and installs an XY, Robotic, or other cutting system solution package from the ground up.

**Other**

- End User - An individual or company who uses plasma or some other cutting technology in their production or other operations.
- Supplier - Supplier of Hypertherm.
- Hypertherm Associate - Employed by Hypertherm.

6. Once you have completed filling out all the necessary fields, enter the security code at the bottom of the page, then press the “Submit” Button.

Please enter the letters you see: **NSIGBY**  
Click to change

7. Once you hit submit, you will be redirected back to HCI, or to the Xnet home page. If you are on Xnet still, you will be logged on as the account you just created. You may click “Hypertherm Cutting Institute” on the navigation list to the left, or open HCI in a new window.

8. On the HCI homepage, click the “Login” button. Enter your username and password (from step #5) and click “Login” to access the Hypertherm Cutting Institute.

9. When first logging in, you will be prompted to read the “Hypertherm Cutting Institute Terms of Use.” Once you have finished, click “I Agree” to continue to the site.

## Hypertherm Cutting Institute Terms of Use

Please select a region and a language.

North America	South America	Europe, Middle East and Africa	Asia Pacific
