

WHY CHOOSE PLASMA GOUGING?

Fast, flexible, safe.

Plasma gouging saves time and trouble. It minimizes the need for secondary work, and compared to other processes reduces the amount of noise and pollutants in the work environment.

Grinding

Carbon arc

Plasma

Max control gouging consumables

Designed for more precise metal removal, shallow gouge profiles, and light material washing applications

Max removal gouging consumables

Designed for aggressive metal removal, deep gouge profiles, and extreme metal washing applications

HyAccess™ extended gouging consumables

Designed for gouging in hard-to-reach or confined spaces with 76 mm of additional reach compared to standard gouging consumables

Easy does it.

It's easy to change your Powermax[®] plasma cutter into a plasma gouging system. Select the gouging mode on your Powermax power supply, configure the best gouging consumables for the job onto the torch and you're ready to go!

SHAPING POSSIBILITY®

PLASMA | LASER | WATERJET | AUTOMATION | SOFTWARE | CONSUMABLES
