HYPERTHERM®
A Hypertherm Associates Brand

As a recent welding program graduate, we understand how difficult it is to start a new career. So, we created a first-time Powermax® system purchase rebate for welding or metal fabrication current students and recent grads through our Spark Something Great educational program. We are offering up to $650 in gift cards to help you purchase start up equipment and supplies.

First time purchase student rebate

How do you know if you're eligible?

- You are a current student or recent graduate (within the past year) from a welding or metal fabrication program at an accredited school or training organization.
- You're making your purchase of a Hypertherm Powermax33XP/30 AIR or Powermax45 SYNC/65 SYNC/85 SYNC/105 SYNC within one year of the date of your graduation.
- You are buying your Powermax system from an authorized Hypertherm channel partner.
- This is the first, and only, time you are claiming this rebate.
